PROFESSIONAL EXPERIENCE

6th Grade Math Teacher, The Mount Vernon School

Sandy Springs, GA August 2019 – Present

- Designs and executes well-planned math lessons grounded in inquiry, problem-solving, application, and collaboration to facilitate learning experiences where students make connections within and outside of the classroom.
- Actively seeks out and participates in professional growth opportunities such as a Research, Design, and Iteration team for differentiation, The World Leadership School's Virtual Coaching Institute for project-based learning, a math team to revise the current math learning outcomes for increased vertical alignment, and pioneering the shift towards competency-based learning to work towards professional and school-wide goals.
- Serves as a co-sponsor for the middle school's Jr. Prefects, who are the official student leaders tasked with building community and enhancing student life, through a variety of initiatives and programs.

7th and 8th Grade Math Teacher and Club Sponsor, Cobb County School

District—Lindley Middle School

Mableton, GA August 2016 – July 2019

- Facilitated learning with students of varied skill levels through collaboration with colleagues, a variety of instructional delivery techniques to meet the needs of all students, and continuous data analysis in order to provide data-driven instruction.
- Served as the Student Government Association Sponsor to plan school events raising over \$3,000 yearly towards future programming and community outreach efforts.
- Organized and executed events for 500+ members of the school and surrounding communities to foster positive relations with community partners.

6th Grade Math Teacher and Activities Coordinator, Miami-Dade County Public Schools—Madison Middle School

Miami, FL August 2014 – June 2016

- Fostered significant growth among students taught, resulting in improved performance on the state standardized assessment, through utilizing a differentiated approach to curriculum design, planning, and instructional delivery.
- Sponsored the school's Student Council, the FCAA Teen Leadership Club, and Positive Imprint Afterschool Program to mentor and train over 100 students in the areas of leadership, time management, and self-actualization.
- Increased staff, student, and parental involvement and engagement through planning numerous activities to boost morale and promote a positive school culture.
